

## TRAFFIC CONTROL PEOPLE INC.

### Ontario Update – Essential Business Services – Effective April 3, 2020

Dear valued clients,

As a critical component listed in Ontario's list of Essential Business Services, Traffic Control People Inc. as confirmed by **Premier of Ontario Doug Ford** and by our customers our company will continue to offer traffic control services.

Our organization will continue to follow all government recommended safety measures such as working from home for appropriate employees, sanitization of vehicles, equipment and warehouse. All team members are supplied with masks, gloves, hand sanitizers and protective eyewear. Social distancing and extra precautionary measures are being taken, allowing workers to continue to perform 100% effective in the field. We have implemented all our professional Traffic Control staff, drive in their own work vehicle to ensure keeping a safe distance away from each other at no extra cost to you. This will also provide if required additional high visibility with extra safety lights and equipment.

If you have any questions about the essential services status of our company, Traffic Control People Inc, please direct all enquiries to Joe Weber – [joe@trafficcontrolpeople.com](mailto:joe@trafficcontrolpeople.com)

For a list of our full services including our new Automated flagging units and Highway Crash Trucks please visit us at: <https://trafficcontrolpeople.com/>

We thank you for your continued support during this difficult time.

Sincerely,

**Traffic Control People Inc.**
